

## EMILY SLEAR, SOIL TECHNICIAN

Emily is a Soil Conservation Technician serving Cecil, Harford, and Baltimore counties. She studied Environmental Science at Delaware Valley University and graduated in May 2019 with her Master's in Soil Science from Penn State. Emily grew up in Cecil County, so this position provides the opportunity to work with farmers and conserve natural resources within her community.

Emily resides in Delaware and is a newlywed. She enjoys spending time with her husband, Ben and her step-son, Owen.
